GCMF Youth Track

Today's world is filled with complexity on a scale unprecedented in human history. Because of the unique challenges this complexity brings, youth today face struggles that previous generations faced at later ages or never faced at all.

This year at GCMF, we will be offering a Youth Track designed with Youth Pastors, Youth Leaders and Youth in mind. In the Youth Track, we will be addressing issues that are specific to Youth Ministry.

The Church is at a critical crossroad and the effectiveness with which we reach the youth of this generation will determine the future of the Church.

People say that youth are the present Church, but the fact is that they are indeed our future as well. We must effectively reach *them* if we are to *Possess the Future*. . .

**“ONE PROBLEM WITH GAZING
TOO FREQUENTLY INTO THE
PAST IS THAT WE MAY TURN
AROUND TO FIND THE FUTURE
HAS RUN OUT ON US.”**
