Welcome.

Global Christian Ministry Forum USA is a network of churches, ministries and ministers committed to fulfilling the Great Commission. We are in partnership for the cause of Christ and view the entirety of scripture as relevant and instructive for effectual ministry

Our mission is to affirm, motivate and enable Christian leaders by exploring together the call to leadership and the path to effective and enduring ministry organizations.

To accomplish this, we provide ministry credentials to qualified individuals and their organizations, and we provide accountability and oversight to our members at the local and national level.

There Are Two Ways to Join Our Network

- Individual Membership
- Organization Membership

Please contact us today to discuss which type of membership is right for you.

“Take the teachings that you heard me proclaim in the presence of many witnesses, and entrust them to reliable people, who will be able to teach others also.”

— Apostle Paul

Why Join the GCMF Network?

Reason #1

We recognize the value of divine order, authority and ministry gifts – and we seek to understand them and apply them to ministry.

Reason #2

We network churches, ministries and ministers for the purpose of personal and organizational growth.

Reason #3

We encourage and enable Christian ministry that is rooted in truth, built with integrity, expressed with relevance and empowered by the Holy Spirit.

Reason #4

Our members relate through local and regional conferences, functional groupings and training venues.

Our Vision

Our vision is to become a vibrant and visible network of ministers and organizations that promotes personal, professional and spiritual growth within its membership.

The Benefits of Membership

Networking is a powerful tool for accelerating both personal and organizational growth. The New Testament clearly depicts first century churches closely linked through shared apostolic and ministry leadership. This connection allowed individual leaders and their congregations to benefit. Together they grew as a community, as individual congregations and as a regional church.

Both individual and organizational members gain the same benefits realized by the Apostle Paul, including shared leadership gifting, shared ministry perspective, shared wisdom and counsel, and the enabling strength and safety intrinsic in a strong network of like-minded ministers and organizations.

Specific GCMF Member Benefits Include

- Specialized leadership & staff training
- Organizational & ministry development
- Grievance counseling & arbitration
- Guidance for professional consultations
- Annual organization and ministry evaluations at your location
- Personal & organizational credibility as part of an international ministry organization
